How to create a page:

1. Click the **edit** link at the top of this page.
2. Add your member page to the list by typing a name for your page inside of double square brackets.
If your name is Joe Coder, your link would look like this: * [[Joe Coder]]
3. **Save** the editing of this page.
4. View the new page and click on the link you just created.
5. On your new page, click the **edit** link and type or paste your information.
6. **Save** your edits. That's all there is to it!
