Facundo's place

Thanks for visiting this 'under-construction' page.

Visual Designer

This is a work in progress, a visual designer made with real LB controls, and some visual tricks. Can compose a GUI and create code.

- Newest file on top.

Contests

This was my entry at the Farkle contest, this is a game that I actually don't understand, but I made an entry anyway.

[Farkle_cundo.zip](#)

My entry to The Jack-O-Lantern Extreme Challenge [It Glows](#)

I really don't know when I made this, but it is there, and I made the page linked.
