Mining game

This is a game I've been working on for a couple of weeks now. Its has no graphics and i dont intend to add any yet. I just added the ability to save today and am working on fixing a bug with the loading process.

intaller download: [mining game v0.8.0](#) - this is recomended for actlly using the game as its just easier to use.
source code download: [mining game v0.8.0 source code](#)
